

Westcan Manufacturing Ltd. offers a limited warranty on all items manufactured to be free from defects and workmanship **for a period of 3 years or 36,000 miles.** This is non-transferable. All warranty claims require the original invoice to the end user from their approved Westcan Dealer.

Failure to comply with the installation procedures provided by Westcan will result in a loss of warranty. Any product that fails at any time as the direct result of a vehicle accident, willful misuse, vandalism or product that has been altered from its intended use by any party is not covered by warranty.

All warranty claims require a copy of the original invoice.

Westcan Manufacturing Ltd. offers a limited warranty on supplement products categorized as but not limited to.. Handles, latches and closure assemblies, locks, hinges, drawer and door guides, cables, fasteners, and shocks. These products are under warranty **for a period of 3 years or 36,000 miles** from the date of purchase. This warranty provided is for the replacement of the failed product only and does not include the labor required to execute a replacement or repair of any defective product.

Aluminum and galvanized steel have a gradual dulling in appearance of the surface of the finished product. This is a naturally occurring process found in both anodized and mill finish aluminum products as well as galvanized steel, and is not covered by warranty.

Please note that this card is to be kept for your own records and for use if filing a warranty claim. Failure to complete this warranty card does not diminish your warranty rights.
